Re: USA v. Peter Cammarano, III
Criminal No: 10-275 (JLL)

Dear Counsel:

I have received and reviewed your request for an extension of Peter Cammarano's self-surrender date from September 20, 2010 to October 4, 2010 in order to pursue a request that the Bureau of Prisons redesignate Mr. Cammarano consistent with the Court's recommendation that he be designated to Lewisberg Camp.

After considering your request, the Court hereby grants the requested extension and restates its previous recommendation regarding Mr. Cammarano based on his security level and the nature of his offense.

Very truly yours,

Jose L. Linares,
United States District Judge
